

# FBI Identity History Summary Check

The information in this document is intended for U.S. citizens applying for the Japan Exchange and Teaching Program.

**Requesting an FBI Identity History Summary Check:** Applicants can obtain this by applying directly to the FBI or by using an FBI-approved channeler. The check must be issued after September 1<sup>st</sup>, 2024 in order to be acceptable for the 2025 JET Program Application. Emailed/printed PDF's will not be accepted.

**Applicants who have lived in another country other than Japan** for at least 12 consecutive months during the preceding five years must submit a criminal record from that country as well.

**Candidates who are seeking Early Departure consideration or have a criminal background** need to submit an FBI Background Check ideally by the application deadline, Friday, November 15<sup>th</sup>. In the case the applicant is unable to obtain their Criminal Record by the deadline, a document proving that they have applied will be accepted. In this instance, the applicant must submit the Criminal Record itself by the time of their interview in early 2025. All other candidates (those applying for regular departure) should wait until notification results to begin requesting their background checks.

★ **Due to the nature of the application window and timeline: the JET Program USA Office highly recommends making an [Electronic Request](#) and obtaining a digital copy of their Criminal Record over a hard-copy submission.**
